[Dear Coach],

Please take a moment to look at my information below as [your program] is one of my top choices. I am a 2022 Midfield with a 3.98 GPA and want to play for one of the best teams in the NCAA every year.

I have listed my Fall lacrosse schedule (Breakers 2022) below. We have a good team. I am really excited for the tournaments and hope you can make time to see our team play. I have also added my Club Coach's information and a link to my profile that has an updated Summer 2019 lacrosse highlight video.
